

Wild Earth Wild Heart Wild Mind

A Deep Ecology weekend with John Seed

(10 - 12th December 2010)

Author, musician, film-maker, artist, rainforest activist and, with Joanna Macy, creator of the Council of All Beings. www.rainforestinfo.org.au

At the Centre for Sustainable Living, Denmark, W. Australia

www.denmarkcsl.com.au

Deep ecology is a philosophy of nature that sees that underlying the environmental crisis is a psychological or spiritual disease stemming from the illusion of separation between humans and the rest of the natural world. Using personal sharing, experiential deep ecology and creative exercises, we dissolve the separation between people and the planet. Vision and empowerment arise naturally from realigning ourselves with the living earth.

Full fees: \$280. Concession: \$200

Fees include accommodation and main meals (*byo breakfast*) **Work trade** available by negotiation.

Registration: csl@denmarkcsl.com.au or phone (08) 9848 3310
