

Calling into being
our life sustaining future

21st to 28th July, 2013

A week of
**Ecological
Encounters**

at Donnelly Village
in the heart of
WA's Karri Country

Activating the leader within by:

- ☛ Connecting with our passion
- ☛ Journeying into Earth wisdom
- ☛ Experiencing deep connection with Earth, each other and ourselves
- ☛ Dedicating ourselves to protecting our planet
- ☛ Generating a flourishing future for all life

Responding to
the call of our planet
guided by Earth wisdom,
inner consciousness
and global connection.
