‘If high-schoolers could not graduate without having  
read this book, our chances of survival would be  
greatly enhanced.’

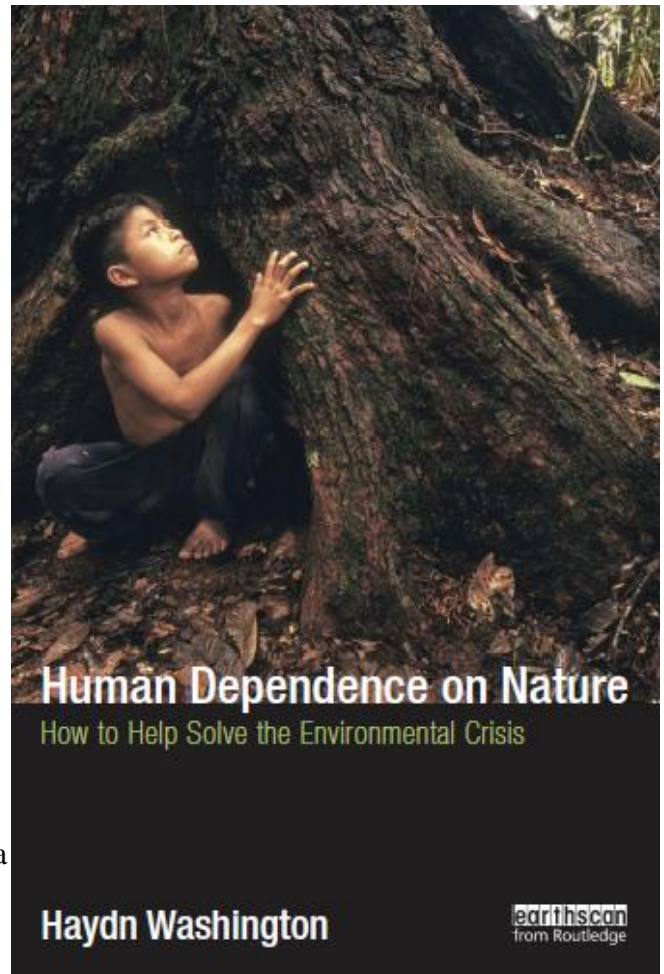

Dr Mathis Wackernagel, President, Global  
Footprint Network

‘When you’ve finished Human Dependence on  
Nature you’ll be impressed too – and want to give  
a copy to everyone you know.’

Professor Paul R. Ehrlich, Stanford University, California

‘Read this book! Enable posterity to respect us,  
their ancestors, for our wisdom, instead of loathing  
us for our obstinate fantasies.’

Professor William R. Catton, Jr., Washington State  
University
