

EARTH, SPIRIT, ACTION

AN EXPERIENTIAL DEEP ECOLOGY WORKSHOP

WITH

JOHN SEED

SEPTEMBER 10th-11th 2016

THE CASTLE, 2 SILVER ROAD, BRIDGEWATER

Human identity exists at the intersection of the ancient cycles of air, water and soil. In spite of the pervasive illusion of separation, in reality no separation is possible between nature and ourselves.

By acknowledging our interconnectedness we invite the spontaneous healing of the psyche. Using personal sharing, experiential deep ecology and creative exercises, we dissolve the separation between person and planet. Vision and empowerment arise naturally from realigning ourselves with the living Earth.

The Workshop runs for a full weekend between 10am and 5pm on both days with contributions of vegetarian food and drink welcome.

Cost: \$240 waged / \$140 concession, including lunch, tea and coffee.

Participation both days is recommended for the benefit of the group.
