

EARTH SPIRIT ACTION

DEEP ECOLOGY WORKSHOP

BY

JOHN SEED

RAINFOREST INFORMATION CENTRE

Friday Night October 20th - Sunday October 22nd

Camp Eureka 100 Tarrango Road, Yarra Junction Victoria 3797

Human identity exists at the intersection of the ancient cycles of air, water and soil. In spite of the pervasive illusion of separation, in reality no separation is possible between nature and ourselves. By acknowledging our interconnectedness we invite the spontaneous healing of the psyche.

In this Deep Ecology Workshop we participate in a series of processes and rituals informed by those used by indigenous peoples throughout time. Using personal sharing, experiential deep ecology and a Council of All Beings, we will dissolve the separation between person and planet. **Vision and empowerment arise naturally from realigning ourselves with the living Earth.**

John Seed is founder of the Rainforest Information Centre. Since 1979 he has been involved in the direct actions, which have resulted in the protection of the Australian rainforests. John has written and lectured extensively on deep ecology and has been conducting experiential deep ecology workshops around the world for 25 years. In 1995 John Seed was awarded the Order of Australia Medal (OAM) by the Australian Government for services to conservation.

This is a non-profit workshop.

All proceeds will be donated to the **SAVE LOS CEDROS CAMPAIGN.**

Light refreshments and Friday night dinner provided.
Please food to share with the group for Saturday/Sunday.
